DAM GOOD Scholarship Application

Application Questions

1. Tell us about yourself – where are you from, what are your hobbies and interests, etc.?
2. What intrigued you about the BeaverCON 2020 conference and spurred you to apply for a scholarship?
3. What role does ecological restoration and/or beaver management play in your life?
4. What could you do within the next 1 to 3 years to help your community (neighbors, workplace, and school) understand the value of using beavers to create and foster healthy ecosystems that benefit your community and the larger world?
